Our Vision

At PIE Tech, we believe SKY IS THE LIMIT for achievement. We aim for excellence in every aspect of education, career development and research activities.

The vision of Pollachi Institute of Engineering and Technology is to emerge into a Premier Engineering and Technological Institute of academic excellence through its commitment to offer value based education to its students. It also aims to improve their Technical, Intellectual and Professional skills which will meet the diversified needs and challenges of the society.

About us

Pollachi Institute of Engineering and Technology (PIE Tech) is a premier educational institution managed by Hayagreeva Educational and Charitable Trust. The Trust manages one more institution namely Pollachi College of Arts and Science (PCAS). The Trust comprises of a team of visionary academicians, philanthropists and eminent personalities of Pollachi led by Mr.A.K.Rathinam, a veteran Industrialist, Dr.R.Sivasubramanian Ph.D., and Dr.G.Arul Mozhi Ph.D., - academicians with more than 30 years of experience in the field of higher education.

The vision is to produce technically sound, competent and value based graduates to face the challenges of the world and contribute towards the development of the society and the growth of our nation.

The mission is to impart value based education in Science and Engineering and to enhance a higher form of education by adopting the best teaching learning process equipped with the latest facilities.

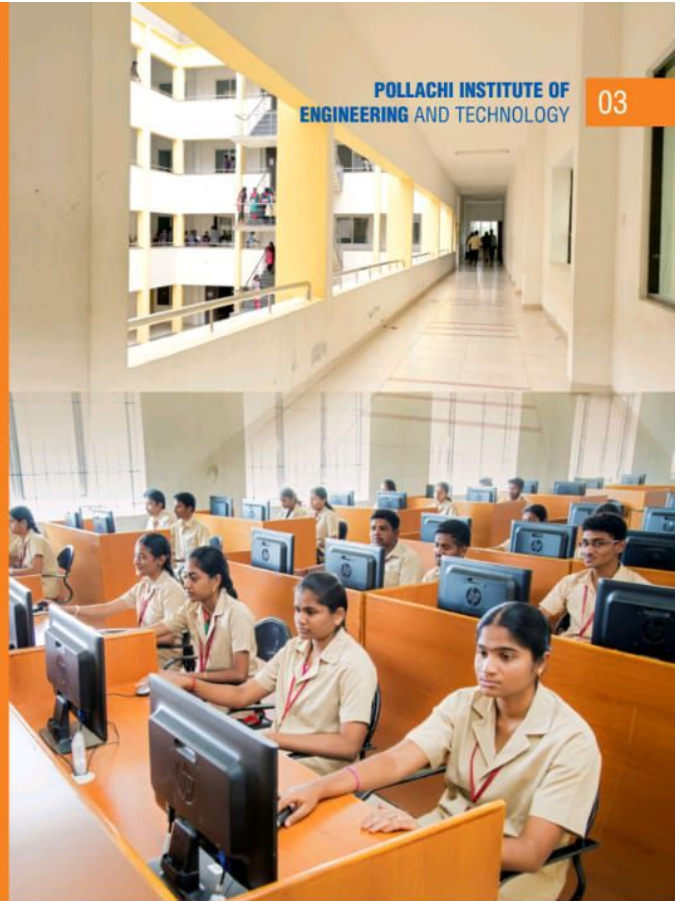

Our Mission

- To give affordable education to the student community of rural areas in Pollachi, Udumalai, Palladam, Dharapuram taluks.
- To provide competent technical knowledge and hence create proactive Engineers for dynamic and global challenging careers.
- To provide an enthusiastic environment that motivates students to do things, innovate and not be scared of doing mistakes.
- To partner and collaborate with Industry, R&D institutes to expose students to real world challenges.

Our **Commitment**

'Good education provides students with the tools required to attain great heights. At PIE Tech, we believe Sky is the Limit. We take education seriously and we strive hard to provide best education possible for our younger generation. Equipped with highly skilled staff members and technologically advanced laboratories, we are committed to help every student reach their goals. The importance of good teachers is no secret to provide good education. PIE Tech have always sought out the best teachers they could get in the belief that the students success depends on them. At PIE Tech, we have well qualified and highly motivated professors and lecturer who understands their importance in shaping the students future.

At PIE Tech, we understand that being book smart is not the sufficient criteria for a good engineer. We dedicate lot of time and effort to help students build their intellectual and interpersonal skills. We provide equal importance to sports and social activities as we do for the studies. This helps the students develop their communication & leadership skills and for lot of them discover themselves and help streamline their thinking process towards their final goal.

Coimbatore City Municipal Corporation,
Assistant Manager (Bio mining Project)

I've had several opportunity at my college to develop and broaden my skill set. The professors are amiable and very encouraging, and I have always experienced a good and healthy environment. My interest in environmental studies and care for our environment were sparked by my college environment. I am now incredibly proud to call myself an Environmental Engineer. Thanks to all my Professors and PIE Tech.

Ms. Jayaprabha P, B.E Civil

Am working for Robert Bosch as a Software Integrator

I got all the support and guidance from , Faculty members and Placement Officers. I would like to specially thank the Management for guiding me and providing me a good platform for my career and also helped me to secure my Placement

Feedback

Technical Division @ZOH

The support of the entire team in the college not only helped me to score good marks, but also helped me to overcome the flaws for being a good human being. I feel fortunate to be a member of the PIE Tech family. I am totally missing my college life.

Mr. Sanjay Raj V, B.E CSE

Design Engineer @ Wcaresoft Global Pvt. Ltd.

When I first entered the first day I was anxious about my future. Over the four years, so many doors were opened for our personal and academic development that I became confident. The college aims at enhancing our knowledge, skills and abilities. It, in fact, didn't leave the attitude part behind as well. This endeavor will lead our college to incredible heights.

Ms. Gowmitha S, B.E ECE

Analyst @ **Capegemini Services India (Pvt) Ltd.**

My 4 year journey with my college with lots of aspiration in my heart which came to reality when I finally got placed in Capegemini. All of it was possible with the right direction provided by all the faculties right from the beginning of this journey. Different personality development sessions conducted in college helped in grooming me. Thanks PIE Tech

Ms. Kaleeswari M, B.E ECE
