## FACULTY

At PIE Tech, we have selected faculty members who are good, inspired and motivated teachers, regularly activating their teaching abilities by seeking new approaches of instruction and inculcate greater involvement, participation and team work among students to create an environment conducive for learning.

Led by an able and adept Principal, Dr.K.P.Dhanabalakrishnan Ph.D., who has rich and wide experience in the academic and placement side, our faculty members guide the students by offering career counselling in a caring and friendly manner which will improve their ethos and values in life.

## PLACEMENT AND TRAINING

To update the students about industrial trends and organization culture and to provide continuous placement and training assistance, an exclusive Training and Placement Cell is fully functioning in the college campus. Apart from training to enhance innovative thinking and improve managerial skills, we help our students in mastering employability skills viz., soft skills, technical, analytical and logical skills. These training programs are conducted by well qualified internal trainers, corporate trainers and industry experts facilitated through Memorandum of Understandings signed between the college and training partners.

With the state-of-the-art multimedia enabled auditorium and additional air-conditioned conference halls and exclusive group discussion chambers coupled with interview and counseling chambers, our Training and Placement Centre takes care of the needs of the students and the corporate.

With the right support extended by the management and with the right steps taken by the Placement division, around **86%** of the first batch of students (2015-16) have been placed in organizations viz Odessa Technologies, Accurate Steel Forgings, CADeploy, Cognizant, Servion Global Solutions, Venture Lightings, Infosys Skava, CIRCOR International Inc. and many more.
